Mission

The New Hampshire Statewide Family Engagement Center (NH-SFEC) mission is to improve the educational outcomes of NH students by connecting families, schools, and communities as partners in the academic success and social-emotional wellbeing of our children statewide.

Program Spotlight 2023-24

- 40+ events
- 1550+ parents and caregivers participated in SFEC events
- 30+ new Family Village facilitators trained
- Multi-session trainings for caregivers on Conscious Discipline
- Provided resources online and in-person on chronic absenteeism and academic success
- Hosted Northern New England Rural Summit and New Hampshire Library eSummit

Family Villages

A **Family Village** is an entry-level leadership program for emerging parent leaders who want to partner with their child's school for success.

Family Village participants report an increase in

- Social connections with other caregivers
- Confidence in helping their child(ren) and family succeed
