Impact

OUR PURPOSE

To implement high impact family engagement strategies, programming, and policies that build powerful partnerships among families, schools, and communities. We promote Family Engagement as a learning and equity strategy to improve student academic success and school improvement.

OUR MISSION

To promote high impact activities and policies that build powerful partnerships among family, school, and community in order to enhance child development and student achievement.

OUR GOAL

To support and strengthen the three spheres of influence that contribute to student success: Family, School, Community.
