

WEST VIRGINIA
FAMILY ENGAGEMENT CENTER

West Virginia Family Engagement Center

Strengthening Students, Families,
Schools & Communities

Who We Are:

The West Virginia Family Engagement Center (WVFEC) provides customized, evidence-based approaches to family engagement that improve student achievement through stronger school-family-community partnerships.

Our Goals:

Increase family engagement in all 55 WV counties through applied knowledge.

Enhance family well-being, strengthen educational connections, and promote stability through tailored family engagement opportunities.

Key Service Areas

We deliver comprehensive support across five key service areas:

**Resilience
Building**

**Culture
Building**

**Elevated
Communication**

**Foundation
Building**

**Life
Readiness**

Partner with us!

Let's explore how we can work together to strengthen connections and enhance family engagement across West Virginia!

The West Virginia Family Engagement Technical Support Center (WVFEC) was made possible by Grant # S31-A230010 from the U.S. Department of Education. This content does not necessarily represent the official views of the U.S. Department of Education.
