

INDIANA STATEWIDE FAMILY ENGAGEMENT CENTER

OUR APPROACH: We selected five school corporations to develop into model sites. These school corporations represent the diversity of the state; from north to south; from urban, suburban, county seat, to rural; from majority Black, majority Hispanic, to majority White. All sites have selected topics with evidence-based family engagement strategies to measurably impact student attendance.

GARY COMMUNITY SCHOOL CORPORATION

Building a Community of Lifelong Learners, One Family at a Time

GOSHEN COMMUNITY SCHOOLS

Tiered Levels of Support

METROPOLITAN SCHOOL DISTRICT WARREN TOWNSHIP

Systemwide Sustainability

BARTHOLOMEW CONSOLIDATED SCHOOL CORPORATION

Transition Years

PERRY CENTRAL COMMUNITY SCHOOLS

Generational Involvement, Mental Health

OUR ACCOMPLISHMENTS - First 36 Months

- Hosted almost 300 programs and activities across the State of Indiana
- Engaged nearly 10,000 family members in activities and training events
- Hosted five FAMILY EFFECT Statewide conferences
- Presented at 14 National and State Conferences
- Published ten family engagement training sessions provided [on our website](#)
- Maintain local video stories chronicling annual growth of our model sites
- Facilitated quarterly advisory meetings with state leaders and local parent groups
- Distributed monthly [newsletters](#) to over 21,000 subscribers
- Administered three annual surveys of families and staff members to inform initiatives
- Initiated [Family Engagement Certification](#) recognition program for schools
- Supporting 62 school applicants seeking up to 5 levels of certification
- Researching the impact of evidence-based family engagement practices on student achievement and attendance

The EFFECT PROJECT:

Engagement for Families, Educators, Community Together
